

End-Of-Life Notice

MC8801 PCI Express Mini Card

February 10th, 2012

Sierra Wireless is hereby announcing the end-of-life for our quad band MC8801 DC-HSPA+ PCI Express Mini Card product.

SKUs affected by this are:

Product	SKU
MC8801 Generic, Generic, FW 2.0.4.1	1101198

For the MC8801

- Purchase orders will be accepted until April 10th, 2012
- Last shipments will be August 10th, 2012

Sierra Wireless will continue to support the next-generation LTE PCI Express Mini Card products: MC7700 and MC7710

Sierra Wireless will continue to provide support to MC8801 customers for existing applications, with support and technical assistance on a reasonable commercial basis until July 16th, 2013.

Customers wishing to extend the life of a platform that has integrated the MC8801 have two (2) options. 1) Purchase sufficient quantity of the MC8801 before the last purchase date to support the projected life of the platform. 2) Customers can integrate the MC7700 or MC7710, Sierra's latest LTE PCI Express Mini Cards.
